## **PURDY® OFFERS PREMIUM-GRADE SURFACE PREP TOOLS FOR ANY PAINTING PROJECT**

CLEVELAND—Surface preparation is extremely important when looking to achieve the perfect finish to any project. To help professionals get desirable results, Purdy®, the leading manufacturer of high quality painting tools, created a line of premium knives, scrapers and multi-use tools. Designed to tackle the tough, tedious and time-consuming tasks of surface preparation, Purdy’s Premium-Grade surface prep tools feature large, no-slip comfort grips for precise control. The high-carbon steel blades also provide for maximum durability and the hammerhead nail-set handles allow for quick repair work.

“The hardest part of the project is making sure the surface is prepared properly,” said Andrew Marsden, Purdy Product Manager. “Purdy’s prep tools are comfortable, lightweight but durable for the toughest jobs.”

- 6-inch flex-blade joint knife
- 4-inch flex-blade joint knife
- 3-inch stiff-blade angled scraper
- 3-inch flex-blade angled scraper
- 2-inch flex-blade putty knife
- 1-1/2-inch stiff-blade putty knife
- 1-1/2-inch flex-blade putty knife
- 6-in-1 painter’s tool
- 6-in-1 painter’s tool featuring a stainless-steel blade (all other tools feature high-carbon steel)

Pros demand durability and performance; Purdy delivers with a line of tools that are hard-working and will last from project to project under the most rugged conditions.
